Once upon a time, a new
crop of frosh skulked
silently through the halls
of good old Scona . . .

holding up the rear.

Then came
Gaylord's Feast . . .

. . . when we burned
our rivals in effigy . . .

over to Renfrew . . .
where they murdered
"them" again.

And then came
Sadie Hawkins,
the night the
girls asked the

. . . and
the spirits
ran freely.

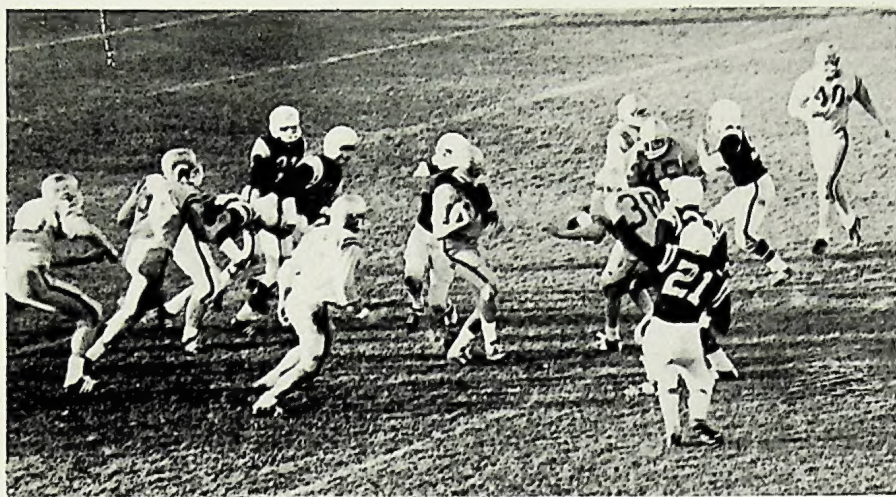

This year our Senior

South Division Title

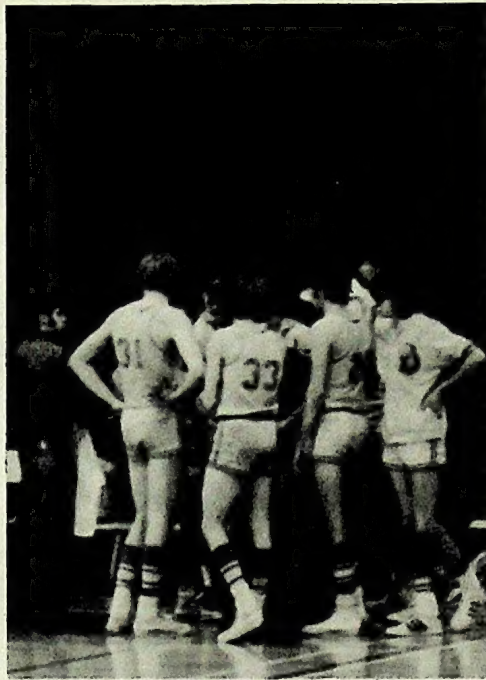

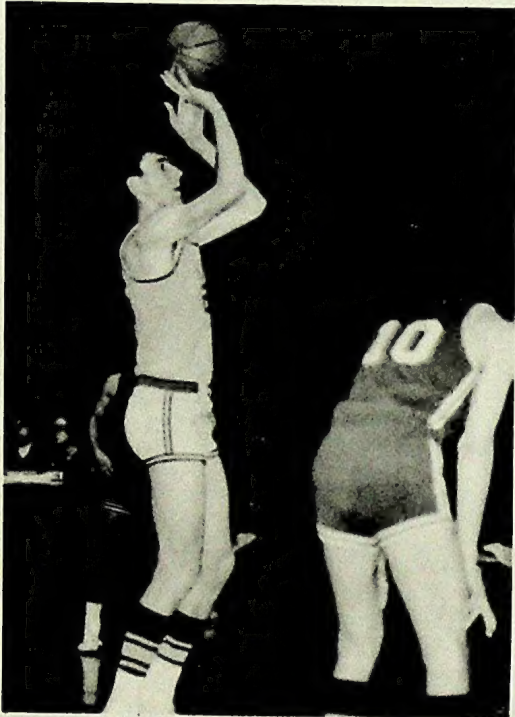

. . . but only to lose
out in the
Semi-Finals.

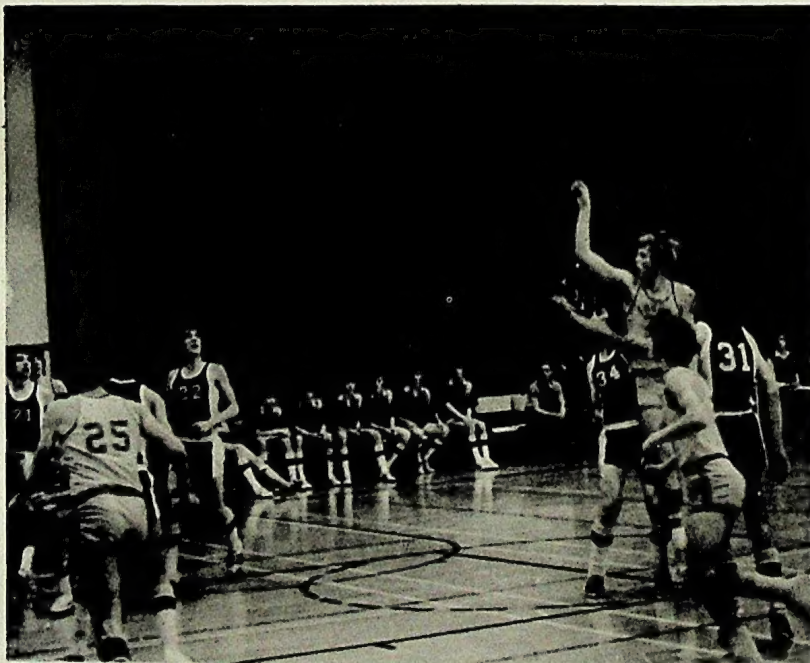

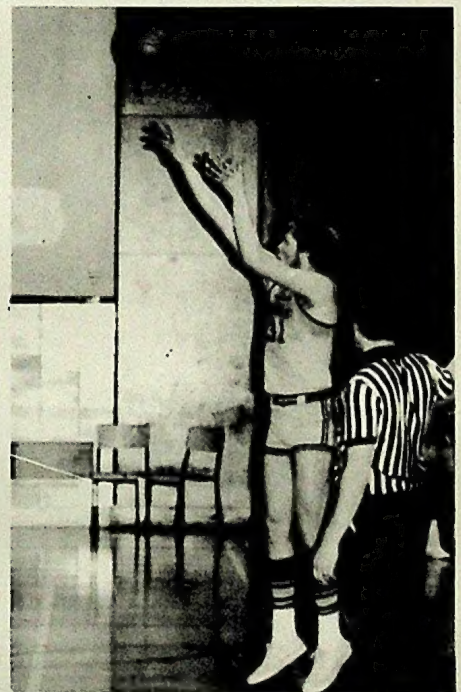

The Junior Lords learned a new tackle this year known as the "Belmont Backbreaker."

AWARDS

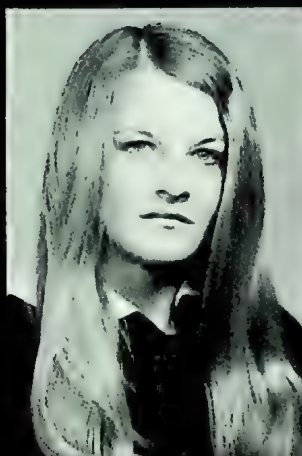

Anne Bowland

WEES TROPHY

The original Wees Cup, donated in 1929 by Dr. W. R. Wees of Toronto, was replaced several years ago by a new Wees Trophy. It is presented annually to the Grade 12 student who attains the highest standing on the Christmas and Easter Exams.

Anne achieved an Honors standing of 97.4% in her five Christmas Departmentals. This included a 100% in Math 30, and a 98% in English 30. Anne, however, is not confined to academics as she has been a competitive swimmer for seven years, holding a Bronze Medallion and a Bronze Cross R. L. S. award, and she was on two school teams. As well as her athletic talents, Anne holds her Grade Eight piano.

Pat Staples

GRIESDORF TROPHY

This trophy was donated by David Griesdorf, a former student of this school. It is presented annually to the girl of the Graduating Class most outstanding in her service and participation in extracurricular activities.

Pat has been Activities Board Chairman this year. She has also been a member of the Junior Volleyball Team and the Track team. Pat was a room rep for two years, and she earned a Minor Service Award, two Major Service Awards, and a Minor Athletic Award for her outstanding contribution to the extra-curricular life of Scona.

Dick Cotter

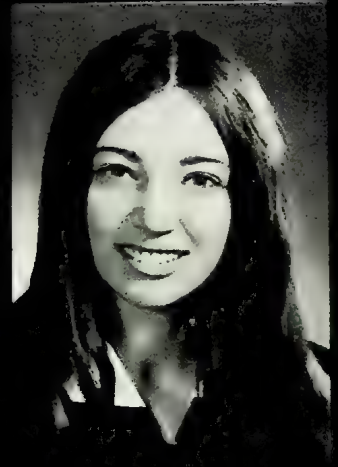

SCARBOROUGH TROPHY

The Scarborough Trophy was donated by the Students' Union in 1952 in memory of Mr. Charles Scarborough, who at one time was a teacher of Strathcona High School. The qualities that Mr. Scarborough most admired in a boy were outstanding service and academic achievement and this trophy is presented to the boy of the graduating class who possesses these qualities.

Dick was on the Student Union Executive, being our beloved Vice-President. He headed the lounge committee and participated in house league activities. He helped set up the Parent consultation group and also encouraged the next year's Students' Union set up dances. Another project that he set up was "Pig of the Week" and this was very successful. Dick deserves this trophy through his many contributions to Scona.

DUNCAN INNES TROPHY

Won by Glynis Dorey for outstanding leadership in athletics. Cheerleader, senior volleyball team, senior basketball, gym club, track star.

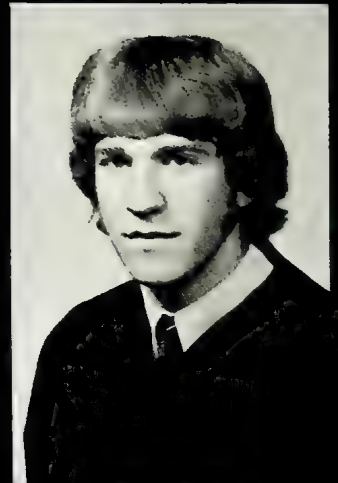

Glynis Dorey

HARLEY-MILLAR-SUTTON TROPHY

This trophy is presented annually to the male student of the graduating class who is outstanding as an athlete, as a good student, and as a man. It was donated by Brigadier-General B. F. MacDonald in memory of Pilot Officer John William Harley, Flight Officer John Whitla Millar and Flight Lieutenant Harold Ransom Sutton. These three young men, who attended Strathcona High School, were killed in World War II.

Brian Fryer, this year's winner, could best be described by the phrase "silent leadership". Brian's modesty in athletics is unique and anyone who has met him can not help but admire him for it. Known mostly for his track and field accomplishments, in which he holds Canadian records, Brian was also leader on the Senior Basketball team, as well as the South Side Champions, the Senior Lords Football team. In addition to all this, he is also a fine student.

SPORTS

Virginia

JUNIOR BOYS' FOOTBALL:

Our Junior Football Team had a fair season in 1970. We lost our first game 8 - 6 to Austin O'Brien and a second game 14 - 7 to Harry Ainley. We then defeated McLazert 42 - 0 and Eastglen 7 - 0. We lost to Bonnie Doon 15 - 6 and then defeated McNally 28 - 14 to end the season with a 3 - 3 record.

Top Row: Ken Lang, Garth Rowe, Dan Verenka, Scott Lawrie, Bob Lawrie, Rick Nilson, Keith McWhinnie, Roger Meyer, Bob Heath, William Taylor, Ken LaKusta, Ron Camarta, Gordon Jonoh.

Middle Row: Mr. Belmont, Mr. Brunanski, Garry Packer, Mark Haugrud, Norman Klaus, Bernie Leinke, Garry Crawford, Lee McFadden, Barry Ardron, Harold Gertz, Robert Race, Scott Lawrey, Mr. Dufresne.

Bottom Row: Erich Reimer, Jack Wagner, Bob McIntosh, Justin Paletz, Drew Kurie, Kelly Smith, Terry Tkachuk, Terry Bondun, Bill Farquar.

SENIOR BOYS' FOOTBALL:

The Senior Boys' Football Team had a very successful season while compiling a five win, one loss, and one tie league record, to give them first place and the Southern Division Championship. Ross-Shephard defeated the Lords in the semi-finals of the playoffs. A tough defense and a pressure offense gave Scona a balanced team with everyone contributing in real team efforts.

Two highlights of the season were Dave McAmmond establishing a new high school scoring record, and the selection of Doug Puffer to the Journal All-Star Team.

First Row: Mr. Gorgichuk, Mr. Gilfillan, Jay Hetherington, Ken Stewart, Dan White, George Carlton, Sami Siffledeen, Al Goodfellow, Brian Fryer, Doug Puffer, Graeme Leadbeater, Bob Nodwell, Kerry Welk, Dave Edwards, George Bulet, Dan Neil, Ken Sagert, Mr. Breitkreutz.

Bottom Row: Al Main, Ron McLennan, Doug Bulat, Preston Randall, Neil McCoy, Gary Berge, Rick Lewis.

SENIOR FOOTBALL CHEERLEADERS:

Top Row: Robin Assaly, Betty Michalyshyn, Susan Allan.
 Middle Row: Brenda Kuzyk, Gernie Assaly, Peggy Gillespie, Susan Slatter, Melissa Borden, Judy Shirley.
 Bottom Row: Bette Davis, Debbie Lewis, Margie Grimbale, Glynis Dorey, Liz Phillips, Dianne Lopushinsky, Barb Gildner.

SENIOR CHEERLEADERS:

The Senior Boys' football and basketball teams were again faithfully supported by their most loyal fans – The Scona.

SENIOR BASKETBALL CHEERLEADERS:

First Row: Brenda Kuzyk, Betty Davis, Peggy Gillespie, Susan Slatter, Susan Allan, Bernie Assaly, Diane Lopushinsky.
 Bottom Row: Barb Gildner, Melissa Borden, Sally Baldwin, Glynis Dorey.

JUNIOR FOOTBALL CHEERLEADERS

I think most of us joined out of curiosity and when we found out what cheering meant, we enjoyed it. It was really a different responsibility and sometimes we didn't have an idea of what we were supposed to do. At least we tried to support the team, even if not many students came.

Top Row: Laura Calhoun, Maureen Day, Jean Wensink, Cheryl Heath.
Bottom Row: Lee Frappied, Cindy Dickins, Lynn Heath.

JUNIOR BASKETBALL CHEERLEADERS

Most of the football cheerleaders turned out for this, too, so that must show it was fun. By the end of the season, we had learned about twenty cheers. Another thing we learned was embarrassment. We had a few arguments, but I guess that shows we were all individuals with our own opinions! It was an interesting and worthwhile experience as a lesson in human compatibility and performing under pressure.

Top Row: Jean Wensink, Maureen Day, Terri Turner.
Bottom Row: Shiela Starkie, Pat Golly, Susan Brown.
Missing: Cheryl Heath, Lynn Heath.

JUNIOR BOYS' BASKETBALL:

As manager of the Junior Boys' Basketball Team, I had the unusual privilege that few others experienced. I attended their games. Besides observing the unrestrained manners of the coach, while he was removed from the court (unbecoming conduct), there were other exciting moments, such as watching Robertson topple from his pedestal of authority (a chair) in moments of high tension. (One of these "over-stimulated males.")

Although the boys missed out this year, I have great confidence they will do much better next year, as much promise was shown. Better luck next year, fellas.

Love, the Babe (Daurel)

Top Row: Daurel Neve, Mr. Robertson, Herb Haekel, Rick Hudson, Dave Edwards, Eugene Borys, Rick Nelson, Roger Meir, Terry Sharron, Scott Laurie.
Bottom Row: Harold Gertz, Bill Farquar, Jack Wagner.

SENIOR BOYS' BASKETBALL:

Top Row: Mr. Dufresne, Dave Kinloch (trainer), Bruce Taylor, Allen Goodfellow, Doug Puffer, Dan Neil, Bob Nodwell, George Carleton, Ken Elgert, Brian Fryer, Manfred Popke (manager).
Bottom Row: Preston Randall, Bob Stemp.

SENIOR GIRLS' BASKETBALL:

The Senior Girls' Basketball Team had a very successful year, ending up in second place in the South League but losing out in the semi-finals for the city championship. Top scorer for the team was Gail Greenwood, who was third in the overall city scoring race. With the return of a number of junior players next year, the "bombOut babes" show a great deal of promise.

Love from Betty the Boot

Top Row: Laura Calhoun, Colleen Crawford, Ellen Wilson, Miss Holmgren, Terri Whetstone, Heather McGregor.
Bottom Row: Susan Wilson, Anne McCuaig, Gail Campbell.

SCONA SKI CLUB

The Scona Ski Club is an organization designed to satisfy the Scona ski addict. The ski club provided several inexpensive ski trips to Banff and Jasper. All trips had a generous sprinkling of good fun and enthusiasm.

Bob Bell

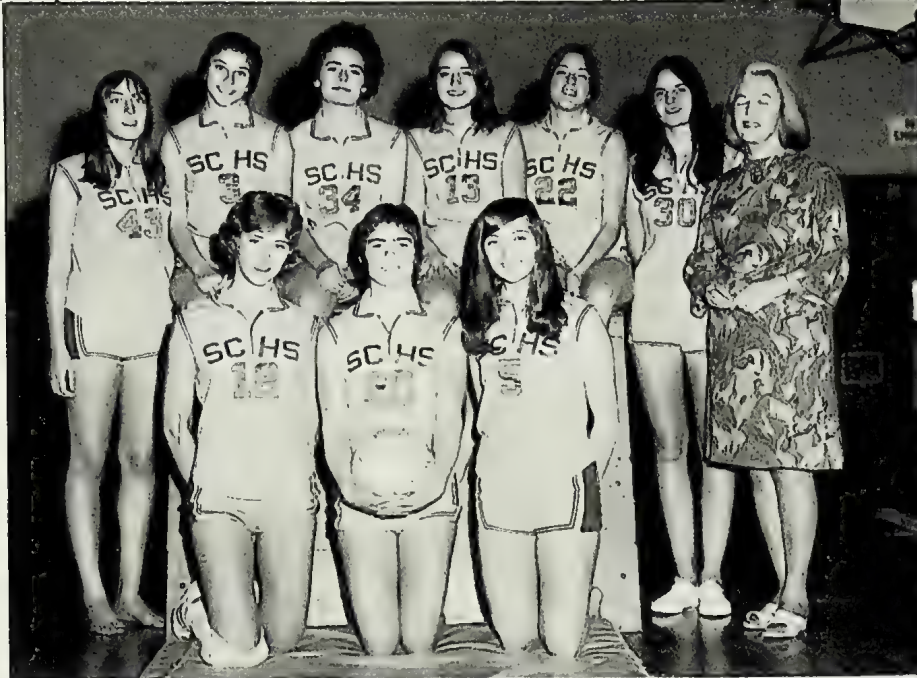

Left to Right: Charles Lee, Ken Lang, Arthur Laurenson, Ian Sanderson, Leslie Johnson, Cathy McCarthy, Bobby Bell, Robert Rymer, John Alton, Mrs. Young, Neil Lang, Paul Leeson.

SENIOR GIRLS' VOLLEYBALL:

The Senior Girls' Volleyball Team had a lot of potential this year, but didn't do quite as well as was expected. Quite a few of the girls will be returning next year and our team may surprise a few schools.

from Mel Clarke

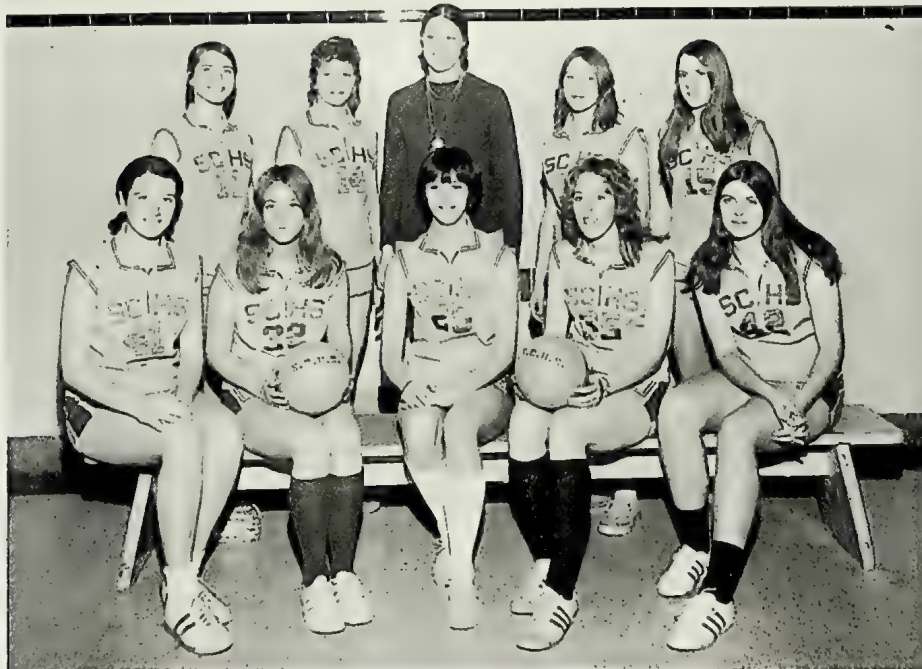

Top Row: Robin Schuh, Penny Goyan, Kathy Moore, Marg Gould, Jean Marshall, Gail Greenwood, Miss Holmgren.

Bottom Row: Mel Clarke, Barb Gildner, Glynis Dorey.

JUNIOR VOLLEYBALL TEAM:

The 70/71 Junior Volleyball Team was an outstanding success due to our great team effort. The Grade Tens made up a dynamic team inspired by our fantastic coach, Nadine Purpur. Miss Purpur is majoring in Physical Education at the University of Alberta. Her experience in this field was a great asset. She brought her team to the city finals, where Scona placed fourth. To celebrate the end of the season, there was a great victory party in honor of the team.

Gail Borwich (Shorty)

Top Row: Vanessa Harris, Gail Borwich, Nadine Purpur, Michelle Marcotte, Katie Little.

Bottom Row: Barb Neil, Liz Snaddon, Janet Schilf, Laurie Harries, Sharon Haynes.

GYMNASTICS CLUB:

Tuesday and Thursday noon hours saw girls performing moves, anything from swinging around the uneven bars and vaulting to jumping on the trampoline, and executing the aerial movements on the floor and displaying grace and imagination on the balance beam. We hope that the club will be even bigger and better in 1971-1972.

Barb Gildner

First Row: Maureen Day, Peggy Mitchell, Lee Frappied, Carol Groff, Avery Ascher, Terri Turner.

Middle Row: Lylis Burnstead, Barb Gildner, Mrs. Manning, Sheila Klassen, Nancy Heath.

Bottom Row: Laurie Enns.

GYMNASTICS TEAM:

"It must have been the new pink leotards" whispered many competitors at the 6th annual Edmonton High School Gymnastics Meet, as the Scona team vaulted from 8th place last year to 2nd place in the city finals this year. Many long hours of hard work were spent during the noon hours and after school to achieve this standing. Congratulations to all the girls who performed so well, and congratulations also to Mrs. Manning who coached the Junior Girls Provincial Team to a victory.

Barb Gildner

First Row: Laurie Enns, Lee Frappied, Glynis Dorey.

Middle Row: Barb Gildner, Nancy Heath, Mrs. Manning, Shiela Klassen, Avery Ascher.

Bottom Row: Peggy Mitchell.

WRESTLING 1970 - 1971

Our wrestling team had a disappointing season on league competition this year as we ended up with a 5-8 dual meet record, and an 8th place finish in league competition. However the boys did very well in tournament competition as is shown by the city high school tournament results. In the A division, with only three wrestlers out of 15 classes we placed 6th. In the B division with 6 wrestlers, we placed 4th. As individuals Scona Wrestlers did extremely well in city, provincial and national competition.

WRESTLING TEAM:

First Row: Doug Meredith, Neil McCoy, Morely Bohn, Gordon McGillivray, Ken Friendeberg, Dirk Buhlman.
Bottom Row: Vic Kennedy, Kevin McKenna, Bruce Ritchie, Richard McGillivray, Kevin Wakeford.
Missing: Jay Hetherington.

WRESTLING AWARD WINNERS:

Most Valuable - Neil McCoy (Captain) - 132 lbs.
Most Wins - Doug Meredith - 114 lbs.
Most Pins - Ken Friendeberg - 108 lbs.
Most Improved - Bruce Ritchie - 114 lbs.

Track & Field Came Alive . . .

And led by Brian Fryer,
we captured three trophies
in the city finals.

CLUBS & ACTIVITIES

LIBRARY CLUB:

This year's Library Club has been an experience, one way or another. Under President Suanne McCowien, the club has organized several back issues of magazines and assisted with various library activities. At any hour of the day, the strains of poorly executed melodies and shouted directions may be heard issuing from the periodicals room. It's miraculous, but the directions are usually followed.

There's a great deal more to running a library than checking books in and out, however, and directions do have to be followed. Magazines, pamphlets, files, records, picture files must be taken care of and kept up to date. While not all members of the Library Club have taken part in these chores, several (notably Florence Wong and Lorraine Robinson) have been capable, efficient, and usually cheerful workers. Cheer, in fact, has been the order of the day, whether over a sheaf of aces or a sheaf of "date-dues" to be pasted.

Michelle Quesnell

Sue-Anne McCowien, Carol Johnson, Pat Michaels, David Rolf, Lorraine Robinson, Mr. Sharples, Sue Ayer, Audrey MacKeage, Pat Richardson, Barb Moore, Florence Wong, Michelle Quesnell, Barb Gander, Muriel Jones, Margo Young.

FRENCH CLUB:

The French Club began the year with the usual drive for membership. The French teachers threw up their hands in great joy when they found that some of their pupils actually knew how to count to ten without a stutter, having attended the French bingo. The Christmas season heralded the arrival of Pere Noel. The silky white beard proved to be so becoming, the "old" Pere decided to grow his own. As the year draws to a close, the club finds itself long on activities and short of funds. All you future members, front and centre!

Val Nicholson

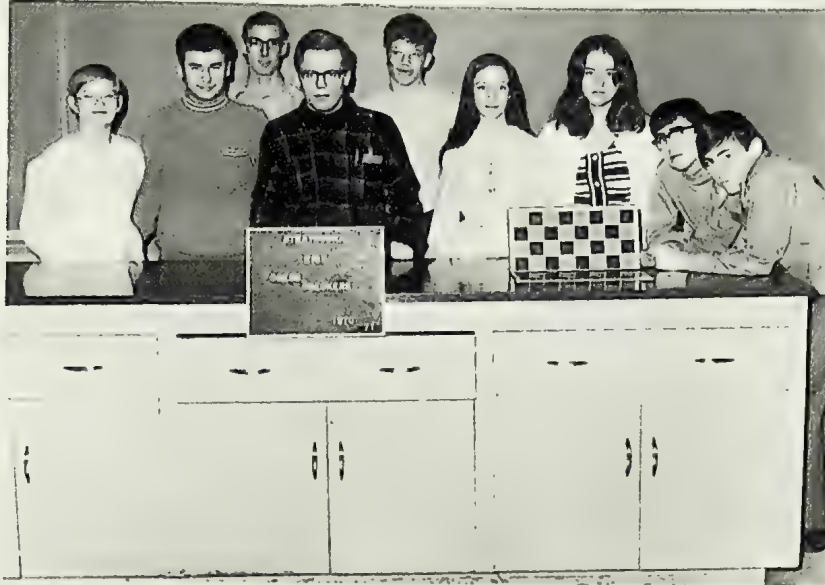

Top Row: Valerie Nicholson, Kathryn Goudie, Louise Ausford, Darlene Trussler.

Bottom Row: Lorraine Robinson, Marianne McLaggan, Pat Lister.

CHESS / CHECKERS CLUB:

The chess, checkers, cards, and cribbage club reached new heights this past year. Through the tremendous efforts of the members and with the guidance of our illustrious president, RODNEY What's-His-Name, a man you could never forget, we have set back the intellectual processes of mankind a thousand years.

Linda Fair

I.S.C.F.

The ISCF has been made known to the world. The great expeditions led by our fearless leader Wendell and his clever assistant James have spread our fame to the four corners of the earth. So well have the rumors been spread that a few individuals have at last found out what ISCF stands for. It means Inter-School-Christian Fellowship and in true Christian style all people are welcome into this group. We enjoy the challenge of meeting people. So all you Atheists out there, please drop in and see us.

Linda Fair

CERAMICS CLUB:

The Scona Ceramics Club was formed in the fall of 1970 by interested students with the help of Mrs. B. Martin. Students spent their free noon hours working on projects. Several sales were held throughout the year with proceeds going to the maintenance of the art fund.

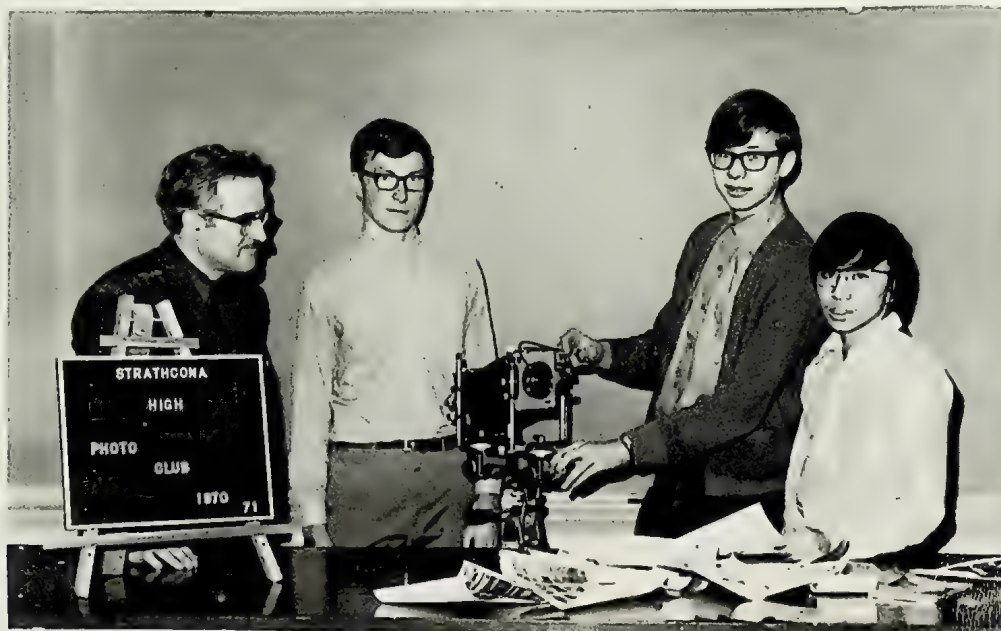

Front: Alison Sue, Astrid Fuchs, Vicki Steele, Wendy Grierson, Jackie Pedersen.
Back: Dianne Groff, Leslie Knowles, Sherril Fraser.

PHOTO CLUB:

Activities ranged from Christmas Card printing and graduation photography to the showing of films and slides concerning all branches of photography. Darkroom facilities were usually available. There were a number of photo contests for black and white prints and color slides this year, and the largest to be judged this summer has prizes totaling \$200.00.

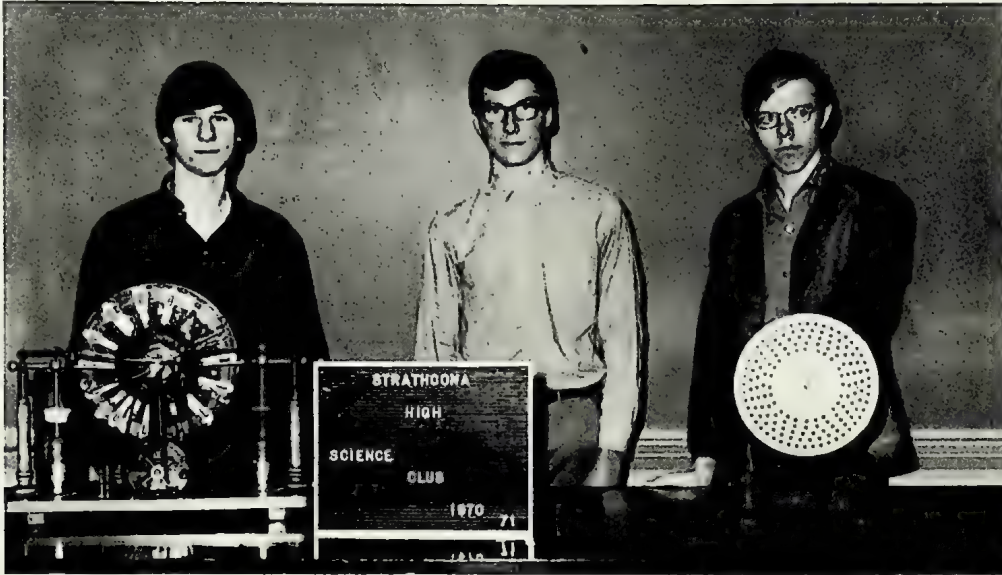

David Moonie

Mr. Tingley, David Moonie, Gerhard Steinke, Steven Joe.

SCIENCE CLUB:

Interest has dropped in the Science Club as a club during the past year. However, many people still completed individual projects ranging from crystal growing to reaction timing and an attempt was made to study the general problems of pollution and ecology.

SCIENCE CLUB EXECUTIVE: Steve Hankin, David Moonie, Martin Hilmer.

ELECTRONICS CLUB:

This club was a service to those who attended, providing them with working knowledge of electronics. The club has based itself on practical rather than theoretical electronics, with the major activities being projects. Those projects usually follow the individuals own interests and several members finished construction of very satisfactory projects.

BADMINTON TEAM:

Our Badminton Team has done very well this year. Scona placed 4th in the city wide tournament. The mixed double and the boys' doubles teams played in the provincials at Red Deer.

First Row: Linda Jenkins, Craig Henley, Miss Holmgren, Graeme Leadbeater, Jane MacDonald.
Bottom Row: Robin Parks, Brenda Turner, Kathy Petrovitch, Cathy Petrie.

TABLE TENNIS

Back Row: Harmut Steinke, Richard Brekke, Henry Kuntz.
Front Row: Kevin Berg, Dale Schneider, Allan Ausford, Adrian Pritchard, John Morris.

CURLING CLUB:

The school mixed curling league was a surprising success this year. There were more student teams than ever before — 14 to be exact, and as a bit of comic relief four teachers teams were added. Many surprises filled the year including the finesse and fine play of rookie Ross Winters who before this year only knew one meaning of a “good stone”. Bob Wigland’s all-star team did not as everyone expected sweep the league, but John Nursall did, even defeating Bruiser Brunanski who turned out to be the leagues spoiler for people with winning aspirations. And who can doubt the great contribution made by that sparkling character from Louis St. Laurent better known by his friend as Dead Fred. Peter Gamache won B division by beating Bob Crockett in a cliff-hanger which was undecided until the last rock of the second end. C division was as exciting as could be expected although some teams were effective as spitting into the wind. Our friend Fred won the division. Overall the year produced a lot of laughs and thanks are due to Mr. Tomlin and Bob Manchuk for their work.

Bob Crockett

THE CURLING TEAM:

This team had a lot of potential. Jimmy (Slip) Johnson had no trouble sliding, but lacked clutch curling ability. The rest of the squad was equally impressive. In the School Boys Playdowns, the boys lost a heartbreaker to the Blind School, while in the Christmas Bonspeil, their attempts were frustrated by a team of 8th graders. Even though the boys felt the BLUES they went through the season on a lot of good stones.

John Nagy

Mr. Tomlin, Jimmy Johnson, Howie Harlton, Tommy Moss, Johnny Nagy.

They make a good shot and . . .
Ah Zut!

Some teams even attempted
to use strategy.

Bob coaxes the rock in, much to the
delight of the spectators.

PRINCIPAL'S MESSAGE

Your days at Strathcona have in part reflected the changing patterns and moods of society. The uncertainties of standards of behavior, of performance, of relationships to others have been as frustrating to you in school as they have been to citizens in our nations. We should take heart, however, because out of these frustrations there is gradually emerging a clearer acceptance that we have responsibilities for ourselves and others. Perhaps it is significant that Strathcona has had the motto *Ut Qui Ministrat* (As One Who Serves) since 1908.

My best wishes to all of you.

THE ACTIVITIES BOARD

The Activities Board consists of students and three advisors that meet regularly to plan and coordinate activities such as dances, debates, soc-hops or carnivals. This year a new concept was developed and used and it was quite successful. In the past years, the Activities Board Chairman asked certain people to sit on the board. These people were usually club representatives. However, this year no one was asked specifically to attend — the meetings were left open for anyone who was interested.

BOOSTER CLUB

Thanks to the diligent work of four dedicated people, Scona enjoyed a rip-roaring year in '71. Club duties included painting posters (and freakin' out on the out-a-site colors) and generally raising school spirit. We would also like to thank our long-haired advisor, Mr. Belmont.

GRADE REPS

The Grade Reps were a new attempt at the same old crap that has been peddled around here for the past 500,000 years. As most other things at Scona it proved to be a total failure, which is not surprising considering that the grade rep system was part of an even larger hoax: commonly known as Students' Union.

CLASS HISTORY

CLASS HISTORIAN
Jane Molstad

Three years ago is when most of us first came to this school. There is no possible way I could try to tell everyone of the good times we had here because everybody's ideas are different. Some of us have good memories and some of us don't, but nevertheless we will remember Scona.

Back in grade ten, I must have been one of the weakest characters alive in the school, and I think most of us were. We never really opened up until grade twelve. After spending three years with the same people there has to be some communication. Right? That's where my memories of Scona are; in getting to know people and I mean really know.

It's not just the students alone, it's the teachers too. In grade ten I thought of the teachers as nothing but teachers, but now I think I know most of them to be people, and they are nice people. I'll try to explain by giving an example. The other day I was walking down the hall with a candy cigarette in my mouth. I hid it with my hand so it looked real. There was Mr. Wilkie coming straight towards me. He came right up to me and was going to yell at me, the little devil, but he saw it was fake and he just smiled and laughed through his teeth like he does.

I really appreciate having been here three years and for anyone that missed out getting to know some people I feel sorry for you because I think you've missed out on something great.

I know this isn't much history of my three years at Scona but I don't have to recollect all the memories of the football games, dances and other events, those are easy to remember.

I feel I should give you something. My grandmother gave me an envelope with some money in it. I didn't notice until after I took the money out that there was a poem on the outside of it.

Aim for the moon
You may not reach it,
But your arrow will fly far higher
If aimed at an object on a
Level with yourself.

Please take care of yourselves.

VALEDICTORY

In searching for words to convey our feelings at the end of these twelve important years, what could be more appropriate than the words of William Shakespeare from "Twelfth Night"?

'A great while ago the world begun,
But that's all one, our play is done.'

Our play, however, though it may be over, is really just a beginning — one small act from a longer, more complicated, unrehearsed and unpredictable performance. The prologue is completed and now the plot unfolds.

For each of us there will be a different part to play. Some will have major roles, some minor but all will be vital and all will have benefited from the initial guidance.

School has served this purpose. Our teachers have helped us to find the power to use our lives constructively. They have taught us in theory how to overcome the problems that we will have to face in reality. With patience and skill they have tried to prepare us for the places that we will soon be taking in society and how to become useful citizens, not only helping ourselves but all those around us.

Our fellow students have shown us the power of friendship and the happiness of sharing. Together we have learned to appreciate each other and recognize the wonder and beauty that is life. Through memories we see the value of our past twelve years of school. We have gained more than just academic knowledge, we have learned tolerance and understanding. We have experienced true happiness and we have built strong and lasting friendships.

All of this will help guide us over the obstacles that will be thrust in our way by the unique society in which we live — a very new, rapidly changing society that frightens and bewilders us with its uncertainty.

Nevertheless, despite its forbidding guise, we must not let the world's present state force us into submission and apathy. With public involvement and cooperation we can, in time, obliterate these problems and produce a more united and healthier world. This is now up to us, for with graduation we experience the transition to adulthood and become responsible for the condition of our Country and the status of her people.

Working as a team, may we succeed in promoting world peace and prosperity, rewards well deserved and long overdue for such a struggling generation. Yet we cannot accomplish this without the support of the majority. Many frustrations will come our way but the ultimate goal can and will be reached. Hard work is necessary but one can get out of a system only what one puts into it.

Our play is done; our work is far from complete.
